ADDRESS

OF THE

HOUSE OF COMMONS OF GREAT BRITAIN

TO

HIS MAJESTY.

EXTRACTED FROM THE VOTES,

Veneris, 11^o die Julii, Anno 40^o Georgii 3^{ia} Regis, 1800.

Most Gracious Sovereign,

WE, YOUR MAJESTY'S most dutiful and loyal Subjects, the Commons of Great Britain in Parliament assembled, having taken into our Consideration the State of the Public Records of this Kingdom, and the Necessity of providing for the better Arrangement, Preservation, and more convenient Use of the same, humbly beg leave to lay before Your Majesty the Report of our Proceedings thereon; and to represent to Your Majesty, that in several of the Principal Offices we have found the Public Records preserved with great Order and Regularity, and in some few, with a Method and Care which are exemplary; but that, in many of the most important Offices, they are wholly unarranged, undescribed, and unascertained; that some of them are exposed to Erasure, Alteration, and Embezzlement, and others are lodged in Places where they are daily perishing by Damp, or incurring a continual Risk of Destruction by Fire.

A Period of nearly Seventy Years has elapsed since the last General Parliamentary Inquiry upon this Subject; and, during this Interval of Time, the Change which has taken place in the Language and written Character of Judicial Proceedings, as well as the large Accumulation of Materials which has been progressively superadded in every Department, have increased the Difficulties of methodizing the several Repositories, or applying their Contents to Purposes of practical Use.

In the Course of our Inquiry we have found that many of the Public Buildings allotted to these Uses, and especially those Buildings which belong to Your Majesty's Exchequer in all its Branches, comprehending the ancient Records and Muniments of the Rights and Possessions of the Crown, and the Vouchers and Accounts of the Public Revenues and Expenditure, are in a State so incommodious and insecure, as to require immediate Attention.

It has also appeared to us, that the salutary Measures heretofore adopted by Your Majesty's Authority, for methodizing the Contents of some of the principal Repositories of Your Majesty's Records and Papers of State, might also be extended to many other Repositories, with Consequences highly beneficial to the Public Service.

And the same Motives which encouraged our Predecessors to intreat Your Majesty's Directions for printing the ancient Records of Domesday, and the Rolls of Parliament, have
also

also induced us to submit to Your Majesty's Wisdom, our Desire of extending the same Measure to other ancient and valuable Monuments of our History, Laws, and Government.

Your faithful Commons do therefore most humbly beseech Your Majesty, that You will be graciously pleased to give such Directions as Your Majesty, in Your great Wisdom, shall think fit, for the better Preservation, Arrangement, and more convenient Use of the Public Records of this Kingdom.

And we beg leave further to assure Your Majesty, that whatever extraordinary Expenses may be incurred by the Directions which Your Majesty, in Your great Wisdom, shall think fit to give on this Occasion, shall be cheerfully provided for and made good by Your faithful Commons.

Jovis, 17^o die Julii;

Anno 40^o Georgii 3^{um} Regis, 1800.

Mr Chancellor of the Exchequer reported to the House, That their Address of Friday last (that His Majesty would be graciously pleased to give such Directions as He shall think fit, for the better Preservation, Arrangement, and more convenient Use of the Public Records of this Kingdom; and to assure His Majesty, that whatever extraordinary Expenses may be incurred by the Directions which His Majesty shall think fit to give on this Occasion, shall be made good by His faithful Commons) had been presented to His Majesty; and that His Majesty had commanded him to acquaint this House, that He will give Directions as desired by the said Address.

COMMISSION

For executing the Measures recommended by the House of Commons
respecting the PUBLIC RECORDS OF THE KINGDOM.

GEORGE R.

GEORGE THE THIRD by the Grace of God King of Great Britain, France, and Ireland, Defender of the Faith, &c.

To Our right trusty and right entirely beloved Cousin and Councillor *William Henry Cavendish* Duke of *Portland*, Knight of the most noble Order of the Garter; Our right trusty and well beloved Councillors *William Wyndham* Baron *Grenville*, and *Henry Dundas*, Esquire, Our Three Principal Secretaries of State; Our right trusty and well beloved Councillors *Henry Addington*, Esquire, Speaker of the House of Commons, *William Pitt*, Esquire, Chancellor and Under Treasurer of Our Exchequer, and First Commissioner of Our Treasury, *Sir Richard Pepper Arden*, Knight, Master of the Rolls; *Frederick Campbell*, Esquire, commonly called Lord *Frederick Campbell*, Our Clerk Register of Scotland, *Sylvester Douglas*, Esquire, one of the Commissioners of Our Treasury, Our trusty and well beloved *Sir John Mitford*, Knight, Our Attorney General, *Sir William Grant*, Knight, Our Solicitor General, *Robert Dundas*, Esquire, Our Advocate for Scotland, and *Charles Abbot*, Esquire; Greeting.

WHEREAS the Knights, Citizens, and Burgeffes and Commissioners of Shires and Boroughs, in Our Parliament of Great Britain assembled, having taken into their Consideration the State of the Public Records of this Kingdom, and the Necessity of providing for the better Arrangement,

Arrangement, Preservation, and more convenient Use of the same; have humbly laid before Us a Report of their Proceedings thereon; and have also humbly represented unto Us, that the Public Records of the Kingdom are in many Offices unarranged, undescribed, and unascertained; that many of them are exposed to Erasure, Alteration, and Embezzlement, and are lodged in Buildings incommodious and insecure; and that it would be beneficial for the Public Service, that the Records and Papers contained in many of the principal Offices and Repositories, should be methodized, and that certain of the more ancient and valuable amongst them should be printed; and have humbly besought Us that We would be graciously pleased to give such Directions thereupon as We in Our Wisdom shall think fit.

Now know ye, That We, considering the Premises, and earnestly desiring more effectually to provide for the better Arrangement, Preservation, and more convenient Use of the said Records and Papers, and reposing great Trust and Confidence in your Fidelity, Discretion, and Integrity:

Have authorized and appointed, and by these Presents Do authorize and appoint you the said William Henry Cavendish Duke of Portland, William Wyndham Baron Grenville, Henry Dundas, Henry Addington, William Pitt, Sir Richard Pepper Arden, Frederick Campbell (commonly called Lord Frederick Campbell), Sylvester Douglas, Sir John Mitford, Sir William Grant, Robert Dundas, and Charles Abbot, and any Three or more of you, to make a diligent and particular Inquiry into the several Matters which Our faithful Commons have, in the abovementioned Report of their Proceedings, represented as fitting to be provided for by Our Royal Authority.

And furthermore, We do by these Presents, give and grant to you Our said Commissioners, and any Three or more of you, full Power and Authority to cause all and singular the Officers, Clerks, and Ministers of the said Offices and Repositories respectively, to bring and produce upon Oath before you, or any Three or more of you, all and singular Rolls, Records, Books, and Papers, or other Writings belonging to the said Offices or Repositories, or any of them, or any Officers within the same, and which shall be in the Custody of them or any of them respectively.

And Our further Will and Pleasure is, That ye, or any Three or more of you, upon due Examination of the Premises, shall cause such Matters to be duly and speedily executed as ye shall judge fitting and proper to be done, for the more effectual Execution of the several Measures recommended by Our faithful Commons in the said Report of their Proceedings relative thereto.

And to the end that Our Royal Will and Pleasure in the Premises may be executed with the greater Regularity and Expedition, We farther by these Presents will and command, and do hereby give full Power and Authority to you, or any Three or more of you, to nominate and appoint from Time to Time such Person of Ability, Care, and Diligence, as ye shall think fit, to be and act as your Clerk or Secretary, for the Purpose of aiding you in the Execution of these Presents; and also to nominate and appoint in like Manner such several Persons of Ability, Care, and Diligence, as ye may think fit, to be Sub-Commissioners, to be employed under your Direction and Controul in the Premises, and more especially to methodize, regulate, and digest the Records, Rolls, Instruments, Books, and Papers, in any of Our Public Offices and Repositories, and to cause such of the said Records, Rolls, Instruments, Books, and Papers as are decayed, and in Danger of being destroyed, to be bound and secured; and to make exact Calendars and Indexes thereof; and to superintend the printing of such Calendars and Indexes, and original Records and Papers, as ye shall cause to be printed: Which said Clerk or Secretary, and Sub-Commissioners, and every of them, shall and may be removed by you, or any Three of you, from Time to Time, at your Will and Pleasure, full Power and Authority being hereby given to you to appoint others in their Places respectively.

And We further will and command, and by these Presents ordain, That ye, or any Three or more of you, shall from Time to Time certify, under your Hands and Seals, unto Our Lord High Treasurer, or unto the Commissioners of Our Treasury for the Time being, what shall be a fit and suitable Recompence to the above-mentioned Clerk or Secretary, and Sub-Commissioners respectively, for their Pains and Services in the Execution of the Duties hereby required to be by them performed; which said Recompence it is Our Will and Pleasure shall thereupon be paid to them respectively and accordingly.

b

And

And Our further Will and Pleasure is, That ye, or any Three or more of you, do and shall on or before the 25th Day of March, in the Year of our Lord 1801, and so from Year to Year, on or before the 25th Day of March in each Year respectively, so long as this Commission shall continue in force, certify unto Us in Our Privy Council, under your Hands and Seals respectively, all and every of the several Proceedings of yourselves and of the said Sub-Commissioners had by virtue of these Presents, together with such other Matters (if any), as may be deserving of Our Royal Consideration touching or concerning the Premises, and what further Measures (if any) ye shall think fit to propose thereupon.

And lastly, We do by these Presents ordain that this Our Commission shall continue in full Force and Virtue; and that ye Our said Commissioners, or any Three or more of you, shall and may from Time to Time, and at any Place or Places, proceed in the Execution thereof, and of every Matter and Thing therein contained, although the same be not continued from Time to Time by Adjournment.

Given at Our Court, &c. the 19th Day of July, in the Year of Our Lord 1800.

ORDER.

AT a Board of the Commissioners appointed by His Majesty for carrying into Execution the Measures recommended by the House of Commons respecting the Public Records of the Kingdom, &c.

Holden at the House of the Right Honourable The Speaker of the House of Commons, on the 24th Day of March 1802.

PRESENT,

The Right Honourable CHARLES ABBOT, SPEAKER OF THE HOUSE OF COMMONS,

The Right Honourable Lord FREDERICK CAMPBELL,

The Right Honourable SYLVESTER Lord GLENBERVIE,

The Right Honourable JOHN Lord REDESDALE,

The Right Honourable Sir WILLIAM GRANT, Master of the Rolls:

It was Resolved, That the official Calendars to the Inquisitions Post Mortem or Escheat Rolls in the Tower, from the First Year of King Henry the Third to the Third Year of King Richard the Third, be prepared for the Press, and printed of the like Type and Form as the Calendars to the Patent Rolls, with Indexes of the Names of Persons and Places to be made thereto: And that Mr. Caley be appointed the Sub-Commissioner for executing the same under this Board; and that the Secretary do write to the Keeper of the Records in the Tower, conformably to this Resolution.

By Order of the Board,

John Topham, Secretary.

THE Records preserved in the Tower of London, entitled, INQUISITIONES POST MORTEM, or as they are sometimes called ESCHEATS, commence with the early Part of the Reign of Henry the Third, and end with the Third Year of Richard the Third.

Of the Nature of these Records the following Account was given by the late Thomas Afle Esquire, Keeper of the Records in the Tower, in his Return to the Order of the Select Committee of the House of Commons, appointed to enquire into the State of the Public Records of the Kingdom, printed in the Reports thereupon made, p. 54. viz.

“ These Records are preserved in Bundles chronologically arranged; they were taken by
“ virtue of Writs, directed to the Escheators of each County or District, to summon a Jury
“ on Oath, who were to enquire what Lands any Person died seized of, and by what Rents
“ or Services the same were held, and who was the next Heir, and of what Age the Heir
“ was, that the King might be informed of his Right of Escheat or Wardship: They also
“ shew whether the Tenant was attainted of Treason, or was an Alien, in either of which
“ Cases they were seized into the King's Hands; they likewise shew the Quantity, Quality,
“ and Value of the Lands of which each Tenant died seized, &c. and they are the best
“ Evidences of the Descents of Families and of Property.”

The Calendar to these Records now published is a Transcript of the official Calendars, revised and corrected with the Originals by Mr. Robert Lemon, Chief Clerk in the Tower.

John Caley,

Sub-Commissioner.
